

Week 8

The screenshot shows the Spring Tool Suite 4 IDE interface. The Package Explorer on the left displays the project structure for 'product-management [boot] [devtools]'. The main editor shows the 'Student.java' file with the following code:

```
1 package com.klu;  
2  
3
```

The Console window at the bottom shows the output of the application startup. The log includes the following information:
